MIT ADT University

MIT Art Design and Technology University (MIT ADT University), a leap towards world-class education is established by the renowned MIT Group of Institutions. It is UGC recognised multi-disciplinary University located on 125 acres of campus at Vishwa-Raj Baugh, Loni Kalbhor, which was previously owned by the late legendary actor of Indian Hindi Cinema Raj Kapoor. The University campus is an embodiment of peace, serenity and tranquility; aesthetically erected on the banks of the Mula-Mutha river with its architecture ideation inspired from matrix of Saptarishi, Saptarang and Saptaswar.

The magnificent world class state-of-the-art infrastructure with modern amenities with fully residential campus facility leads MIT ADT University to be one of the premium Campus. Recently the campus has been awarded with 'Best Campus Award', 2017, by ASSOCHAM.

MIT ADT University is a multi disciplinary class University that offers programs at undergraduate, postgraduate and doctorate levels in Fine Art Design, conventional engineering branches in Information Technology, Computer Science and Engineering, Mechanical, Civil, Aerospace Engineering Management. Marine Engineering, Bioscience Engineering, Food Technology, Film and Television as well as Broadcasting and Journalism in education as well. Most of the programs are designed in such a way that they satisfy the current needs of the specific industry. With a vision of Holistic Development, the University has designed compulsory core credits to foster the complete campus transformation of the students as winning personalities or corporate leaders, social transformers, and nation builders. University-level Mega Gala Events, Persona Fest & Vishwanath Sports Meet are known nationwide.
